Report of Principal and School Improvement Council

Mary Ford Elementary School's quest is excellence! We believe in striving for excellence because we are not waiting for failure. Evidence of this commitment can be seen in our yearly recognition of meeting the federally mandated requirements of AYP in 2005 and 2006. Efforts continue to reach federally mandated requirements in 2008.

Mary Ford's instructional emphasis is based on the development of active learners through a rigorous, standards-based curriculum, designed to enhance our culture, needs, and vision for success. Quarterly benchmark MAP assessments; quarterly instructional calendars, aligned to the district's coherent curriculum; implementation of differentiated instruction in the classroom; and "Principal's Test" every other week assist us in tracking and ensuring student growth and progress. Students are given opportunities to strengthen skills and for teachers to address individual needs through the many intervention and enrichment programs offered to every student. Our students participate in our 21st Century After school program 5 days a week, supplemented by our School's Out Community Learning Center extended day programs. These programs have allowed us the opportunity to develop integrated community and public engagement support systems that complement our school's mission and goals. Storybooks at Breakfast, Success Maker Computer Assisted Instruction, and integrated fine arts curriculum connect student learning, which results in increased student achievements across all grade levels.

Our teachers and students strive to improve our school's climate by participating in ongoing character-building activities that promote self-reflection and redirection of inappropriate school and classroom behavior. We believe in creating a school environment that is student-friendly and provides opportunities for students to be successful. Our students are recognized for positive behavior and character traits monthly. We continue to seek ways to make education and learning the top priorities at Mary Ford Elementary.

Parent involvement continues to be a challenge, but our goal is to continue to provide opportunities for parents to take on a more active role in their children's education. Monthly parent breakfast and meetings, quarterly PTA meetings, Pizza, Pepsi, PACT & Parent Night, Family Math, Reading & Science Night, and home visits have proven to be successful initiatives.

Our mission is clear, and we welcome the challenges to make us stronger. We will reach excellence in our classrooms!
